# 2026 Parent Contribution Arrangement - Year 12

BRAUER COLLEGE  
WARRNAMBOOL

Dear Parent/Carer

This booklet provides you with information regarding your child/ren's parent contribution arrangements for 2026, and the payment methods and assistance available. Brauer College makes every effort to keep the cost of items and activities to a minimum and affordable for all families.

Brauer College would like to advise you of your financial contributions for 2026, and we look forward to another year of teaching and learning.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

In an endeavour to reduce costs to our families and simplify processes, we are pleased to advise that families will place their orders with WINC for all your stationery and booklist supplies for 2026. Curriculum and Other Curriculum Contributions can be completed in compass or Direct Debit form to be completed and returned to school (see form enclosed).

Within our school this support has allowed us to provide: -

- Enhanced digital learning opportunities within all subjects which has supported the continuity of learning during the offsite remote learning periods
- Additional Classroom support in literacy and numeracy
- The provision of our wellbeing team to enhance student health and wellbeing support
- Our Instrumental Music Program
- Upgrades of our schools provisions and facilities
- Refurbishment of school grounds
- Enhanced Art and Science facilities and activities above the standard curriculum
- Enhanced extra-curriculum experiences
- Intervention programs – Literacy and Numeracy
- Extra sporting events

For further information on the Department's Parent Payment Policy please see a one-page overview attached.

Yours sincerely

## Payment Methods - Arrangements for paying your 2026 parent contributions are as follows:

To assist parents with budgeting, a list of curriculum contributions is provided. These are specific to each child and visible on Compass. Payment arrangements can be agreed to and offered as follows

- Direct Debit – To set up weekly or fortnightly payment plans, simply complete the form enclosed and return it to the Brauer College office, **this option is popular with current families.**
- Compass - Payment arrangements will be accessible through Compass. This is a very simple, user friendly process for families, providing the flexibility to organise your payments any time online. Families will be able to make one payment or if required select the payment plan option.
- Centrepay - You can apply for Centrepay deductions online via the following site\_ <https://www.servicesaustralia.gov.au/individuals/services/centrelink/centrepay>

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information.

We invite any payments to be made via the above-mentioned arrangements. All payments received will be allocated to outstanding Extra-Curricular items and Activities in the first instance. If there are no outstanding Extra-Curricular items and Activities charges on your family account, payments will be allocated towards family Curriculum Consumables, as per the above. We would appreciate payment arrangements and WINC Orders to be actioned by 12<sup>th</sup> December, 2025. (WINC have extended free delivery until 19<sup>th</sup> December orders)

Brauer College understands that some families may experience financial difficulty and offers a range of support options. If you would like to discuss alternative arrangements, please contact Jodie Keast our Business Manager on 03 5560 3888.

- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions	Other Contributions	Extra-Curricular Items and Activities
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.	Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.	Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES
